

JOSH VARBLE

FILMMAKER/EDITOR/G&E

ABOUT ME

Josh Varble is a Texas State University Alumni who is versatile in a wide variety of areas in the film department. He has taken on roles in the Grip & Electric department such as Best Boy and Gaffer as well as Sound Operator and Behind the Scenes Photographer on several sets. He is also a content creator and has made several micro budget short films along with a web series and he hopes to continue to build his experience with others.

EXPERIENCE

GRIP & ELECTRIC DEPARTMENT

2023 - Present | TXST University

- Served as the Best Boy, Grip, and Gaffer on notable projects at TXST University including Punk In Distress, Dice King, Dweller, The Bench Between Us, and Pressure Points.
- I help to set up lighting equipment whenever and where ever it is going to be needed to help create the lighting for a scene.

EDITOR

2021 - Present | TXST University

- I have served as the solo editor for many of my own short films that I have made including Disarmed, Willpower, The Visitor, and Convenient Work, all of which are currently on YouTube. I have also used editing to create special effects.
- In this position, I edit footage and sound files together to create video content.

CONTENT CREATOR

2021 - Present

- In this position, I created my very own short films, videos, and web series for my YouTube channel that show off my ability in creating well crafted and engaging content.
- The skills on display are my editing, directing, and acting skills that demonstrate my talent.

VOLUNTEER WORK

2023 - Present | SXSW & Austin Film Festival

- In this position, I help to organize the festival operations such as making sure that the screenings run smoothly and that attendees are go where they are supposed to be.
