ABOUT ME

Josh Varble is a filmmaker and content creator with over five years of experience developing and producing original content, including short films and a web series for his YouTube channel. His hands-on experience extends across all areas of production, including Grip & Electric roles such as Best Boy and Gaffer, as well as Sound Operator, Editor, and Behind-the-Scenes Photographer. This diverse background has given Josh a well-rounded understanding of both the creative and technical sides of filmmaking and content production.

EXPERIENCE

CONTENT CREATOR

July 2021 - Present

- Creates original short films and web series for his YouTube channel, showcasing his ability to craft engaging stories and compelling promotional content from concept to full production.
- Utilizes editing and filmmaking skills to create engaging stories across a variety of formats and scales.

GRIP & ELECTRIC

October 2023 - Present

- Designs and sets up lighting equipment to craft natural and dynamic lighting for scenes requiring complex set ups.
- Utilizes C-stands, lighting fixtures, diffusers and other professional setups to achieve desired visual results.

EDITOR

July 2021 - Present

- Organizes and edits video and audio files to craft engaging stories and content, incorporating color correction and visual refinement throughout the process.
- Serves as primary editor for all personal and professional content crafted over five years using Adobe Premiere Pro.

BEHIND THE SCENES PHOTOGRAPHER

October 2025 - Present

- Photographs behind-the-scenes moments that highlight the cast and crew in action.
- Uses Adobe Lightroom to professionally edit and enhance photos, including color correction and image quality.
